Subject: Letter to Excelsior re Admin Review Gunnison Copper Project
20160324 ltr EPA Albright to Excelsior Sawyer re Admin Review Gunnison Copper Project.PDF

Hi Jerry,

I hope all is well with you. Sending you a copy of the Admin Completeness letter we issued today to Excelsior. Probably makes sense for us to touch base in the coming weeks/month on status of our agencies APP and UIC efforts. I know that some EPA folks will be in Phoenix for a midyear meeting in early April but I will not be present for that.

Talk to you soon.

David
